MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT   :   Clandestine Services Career Trainees

REFERENCE   :   Memo dtd 17 Jun 68 frm DD/P to DD/S,
same subj

1. This memorandum contains a recommendation for your approval; such recommendation is contained in paragraph 4.

2. The referent memorandum outlines a course of action similar to that proposed in my 4 June memorandum to you. Integral to the proposal is the carry-over on CT ceiling of 40 Clandestine Services CT's for FY-70 and the carry-over of 40 CS CT's in FY-69 from April 1969 to 1 July 1969.

3. Implementation of this plan would mean CT classes of approximately 40 each in November 1968, March 1969, and July 1969. These size classes would permit us to meet all Directorate requirements. Traditionally the proportion of internal candidates for any CT class has been approximately 15 per cent, therefore, we would expect that for FY-69 and FY-70 internal candidates from the Clandestine Services would number about six each. This number plus another small input from the CS contract ranks would still leave a large enough external recruitment requirement to keep our recruitment and selection mechanisms viable.

4. Subject to your approval of carry-over on CT ceiling of Clandestine Services CT's mentioned in paragraph 2, I recommend that we establish as CT input goals into the Clandestine Services of 40 for FY-70 and 40 for FY-71.
